Plaintiffs must provide executed HIPAA authorizations by May 7, 2021. Fact discovery must be completed by October 29, 2021. The Court defers setting a schedule for expert discovery and requests for a premotion conference. By June 2, 2021, the parties must file a joint letter-motion requesting a settlement conference or, if they have already agreed in principle to settle the case, requesting that the remaining schedule be held in abeyance while they finalize closing documents.
